ROOMS

Apply for the ESR's **Invest in the Youth programme**  
and you could experience Europe's biggest medical imaging meeting **free of charge.**

European Congress of Radiology

# ECR 2017

## TO INVEST IN YOUTH IS TO INVEST IN THE FUTURE.

The ESR will fund **1,000 places** at ECR 2017, once again giving young radiologists, physicists and radiographers from all over the world the chance to participate in the meeting.

**Successful applicants for the Invest in the Youth programme will be offered free registration for ECR 2017 and free hotel accommodation.**

This offer is available to young radiologists, physicists and radiographers who are:

Radiologists-in-training and physicists-in-training  
under 35 or radiographers-in-training who are 30 or younger

Members of the ESR for 2016

Submitting authors of an abstract

**Application is possible from July 4 to October 15, 2016**
